GOOGLE DRIVE FOR WORK

Google Drive for Work is a premium cloud offering for organizations that includes **unlimited data storage**, and accessibility to all files, folders and backups from anywhere, on any device.

GMGCommunications

Work without limits.

Comprehensive new security controls, paired with the **Google Apps for Work suite of solutions** allows for **fluid, unparalleled team collaboration.**

Drive for Work

All your work, safe, available everywhere and easy to share.

ALL YOUR WORK: IMMEDIATELY ACCESSIBLE, SAFE AND EASY TO SHARE.

Google Drive for Work makes it easy to access your files from any smartphone, tablet, or computer. Share them instantly with teammates, customers or partners - even with people that don't use Google Drive.

FEATURES

- Unlimited storage, including file sup to 5 TB

- Enhanced audit view – admins see activity like moving, sharing and deleting files within or outside the company.

- Intuitive admin console.

- Includes Google Apps Vault – expanded to cover all of the content in Drive, including Docs, Sheets and Slides.

- All files uploaded to Google Drive are encrypted from your device to Google, in transit and at rest in Google's servers.

- New security controls – admins can set sync client, offline Drive app and add-on settings at the Organizational Unit (OU) level.

- 99.9% uptime guarantee!

BENEFITS

- ✔ Increased productivity and collaboration through accessibility from anywhere – Mobile (iOS and Android support).

- ✔ Improved sharing with non-Google Apps or Drive users.

- ✔ No limits on file editing – even with Microsoft Office files.

- ✔ Fine-grained control and increased visibility to team activity.

- ✔ More organizational security at every layer (mobile security, eDiscovery, suspicious login detection).

- ✔ Heightened collaboration with Google Apps for Work solutions, like Drive, Docs and Hangouts!
